INTRODUCTION

Le Répertoire des courtiers en douane et des transitaires canadiens, préparé par Industrie, Sciences et Technologie Canada, est conçu tant pour le nouvel expéditeur possédant peu d'expérience dans le domaine des transports que pour le directeur de trafic. Cette publication vise à informer les expéditeurs des possibilités des industries canadiennes des transitaires de marchandises et des courtiers en douane. Le répertoire, préparé en collaboration avec l'Association des transitaires internationaux canadiens (ATIC), est mis à jour régulièrement.

L'industrie canadienne des transitaires dispose d'un réseau mondial de bureaux et d'agents qui peuvent prendre des dispositions pour livrer vos marchandises partout dans le monde. Les transitaires fournissent aux clients l'accès à des compétences générales ou spécialisées en gestion du trafic. Quelques-unes des entreprises énumérées dans ce répertoire offrent des services spécialisés, desservant certaines régions du monde, faisant la manutention de divers types de produits ou transportant des marchandises rapidement selon divers modes de transport. D'autres sociétés fournissent une gamme complète de services dont le courtage en douane afin de faciliter les livraisons à domicile. Les entreprises membres de l'ATIC détiennent une assurance responsabilité ayant une couverture minimale de 100 000 $ pour protéger les expéditeurs contre les pertes causées par le transitaire et appliquent les normes de l'association ou des normes au moins équivalentes dans leurs contrats avec les expéditeurs. Les services de communication, de distribution et de renseignements commerciaux offerts par cette industrie sont souvent supérieurs à ceux dont peuvent disposer les transitaires prenant eux-mêmes leurs propres dispositions pour distribuer leurs marchandises ou les dédouaner auprès des autorités.

Ce répertoire comprend cinq parties.

La Partie I, Profil des sociétés, renferme une brève description de chaque entreprise.

La Partie II, Bureaux canadiens, fournit la liste, par province et par ville, des adresses des sièges sociaux et bureaux régionaux de chaque entreprise au Canada.

La Partie III, Bureaux et agents à l'étranger, identifie les transitaires ayant des bureaux ou des agents dans des pays étrangers. Signalons que les transitaires dont le nom n'est pas indiqué pour un pays donné peuvent souvent desservir ces destinations par d'autres moyens.

La Partie IV, Services, décrit les services fournis par une société. Les services, dans cette section, ont été regroupés en quatre sous-sections, à savoir 'Douanes et services de consultation','Services financiers et Documentation', 'Manutention' et 'Transport'. Cette section ne fait pas la distinction entre les services de transitaires et les services de courtiers en douane car de nombreuses entreprises offrent les deux.

La Partie V, Adresses, contient les adresses des associations industrielles.

La publication de ce répertoire n'entraine aucunement, de la part du gouvernement, une reconnaissance officielle des compétences de ces entreprises. Cela reflète simplement les services annoncés par chacune d'elles. Les entreprises ont fourni volontairement ces données pour le Réseau d'approvisionnement et de débouchés d'affaires (RADAR).

PARTIE I

PROFIL DES SOCIÉTÉS

Les entreprises dans ce répertoire sont présentées par ordre alphabétique. Les utilisateurs du Répertoire cherchant une inscription devraient considérer les différentes façons d'identifier une société.

Le personnel du RADAR peut aider dans la recherche d'une inscription au RADAR. Les demandes peuvent être faites par téléphone, à frais virés, au (613) 954-5031.
